

FE's Major OEM Markets

- Consumer * Commercial * Communications * Industrial**
*** Instrumentation * Computers * Automotive (aftermarket)**

OEM & non- OEM Electrical Components

Includes, but not limited to:

<i>Power Supplies</i>	<i>Keypads</i>	<i>Transformers</i>
<i>Turnkey Projects</i>	<i>Cables</i>	<i>Harnesses</i>
<i>Antennas, GPS</i>	<i>Lenses</i>	<i>Coils</i>
<i>PCB Assembly</i>	<i>Camera Modules</i>	<i>Electro-mechanical Assemblies</i>

Industry and Components

Automotive Industry	OBD Cables, Connector Harnesses, Cameras, DUI-deterrent Devices
Data Communication	Connectors, Data Cables, Antennas, PCBA's, Power Adapters
Health Industry	Germicidal disinfection and Air / Water Purification Components
Industrial Controls	Keypads, Wire Harnesses, Switches, Lighting, Enclosures

Product Area Examples

FE "Custom-Design, built" component parts

LED Display signs	LEDs and related parts
Security Systems	GPS units, Antennas, Adaptors, Audio-Video Equipment
Communication Equipment	PCBs, Keypads, Cables, Antennas, Panels, Connectors
Hand-held Devices	Electric-Gas-Water Meter Components, Keypads
Dispensing Machines	Keypads, Cables, Harnesses, Micro-sensors, Buzzers, Motors
HVAC	Ballasts, Metal Parts, Cables, Adapters, Fans, Lamps
Instrumentation Equipment	Ribbon Cables, Harnesses, Switches, Knobs, LCDs
Water Softener Equipment	Keypads, Harnesses, Relays, Solenoids
Energy Management systems	LCDs, Antennas, Cables
Lighting components	LEDs, Adaptors, Ballasts, Cables, Harnesses

**Product / Component Types, Includes but not limited to
[All Custom-Design-Builds]**

Molded Plastics	Portable Power Adapters	Ballasts for lighting
Extruded Metal Enclosures	PCB Electronic Components	Fans and Blowers
Air Purifiers	Multi-conductor Cables	Connectors
Keypads	Magnetics	Camera Lenses

Examples of FE Turnkey Products

Air Purifiers	Ballasts, Enclosures, PCBAs, Power Adapters, Lamps, Keypads, Blowers
Automotive DUI deterrent Devices	Enclosures, Cameras, PCBAs, Cables
Automotive Battery Boosters	18Ah Batteries, Cables, Switches, Lamps, Enclosures
Ankle (security) Bracelets	Power Adapters, Cables, PCBAs
Parking Assist Devices	Enclosures, LEDs, Cables, Sensors
Hunting Decoys	Blow Moldings, Motors, 6Ah Batteries, Antennas

FE Technology can also provide **Manuals and Retail Boxes** for Turnkey products.

Additional Services FET provides

- 1) JIT delivery - We work off your blanket order PO's and store product in our warehouse.
- 2) Inventory is invoiced when product is released from our warehouse.
- 3) Design engineering staff to help with your product designs, at no cost in most cases.
- 4) Custom packaging to your specifications.
- 5) Private labeling for your products.
